

CHICAGO BOND REFORM GROUP

Cook County Jail Population Since Implementation of Illinois Bail Reform Act

Illinois Bail Reform Act (2017)

Cash bail is not required for people charged with a non-violent misdemeanor or low-level felony

Requires the court to consider the socio-economic circumstances of the defendant when imposing monetary and non-monetary conditions of release

Allows the court to reconsider conditions of release for any individual whose sole reason for continued incarceration is the inability to post monetary bail

Illinois Bail Reform Act (2017)

Cash bail is not required for people charged with a non-violent misdemeanor or low-level felony

Requires the court to consider the socio-economic circumstances of the defendant

Allows the court to reconsider conditions of release for any individual whose sole reason for continued incarceration is the inability to post monetary bail

Illinois Bail Reform Act (2017)

Cash bail is not required for people charged with a non-violent misdemeanor or low-level felony

Requires the court to consider the socio-economic circumstances of the defendant

Allows the court to reconsider conditions of release for any individual whose sole reason for continued incarceration is the inability to post monetary bail

Some **62%** of these individuals incarcerated and awaiting trial have been assigned a cash bond that they **cannot afford.**

Impact of pretrial detention

CONVICTED**

Accuracy from Logistic Regression Model

70%

Logistic Regression to Predict Bond Types

Actual	Payment	Non-Payment
	Prediction	Prediction
Payment	205 True Positive	73 False Negative
Non-Payment	81 False Positive	108 True Negative

Logistic Regression to Predict Bond Types

Actual	Payment	Non-Payment
	Prediction	Prediction
Payment	205 True Positive	73 False Negative
Non-Payment	81 False Positive	108 True Negative

Funding Formula

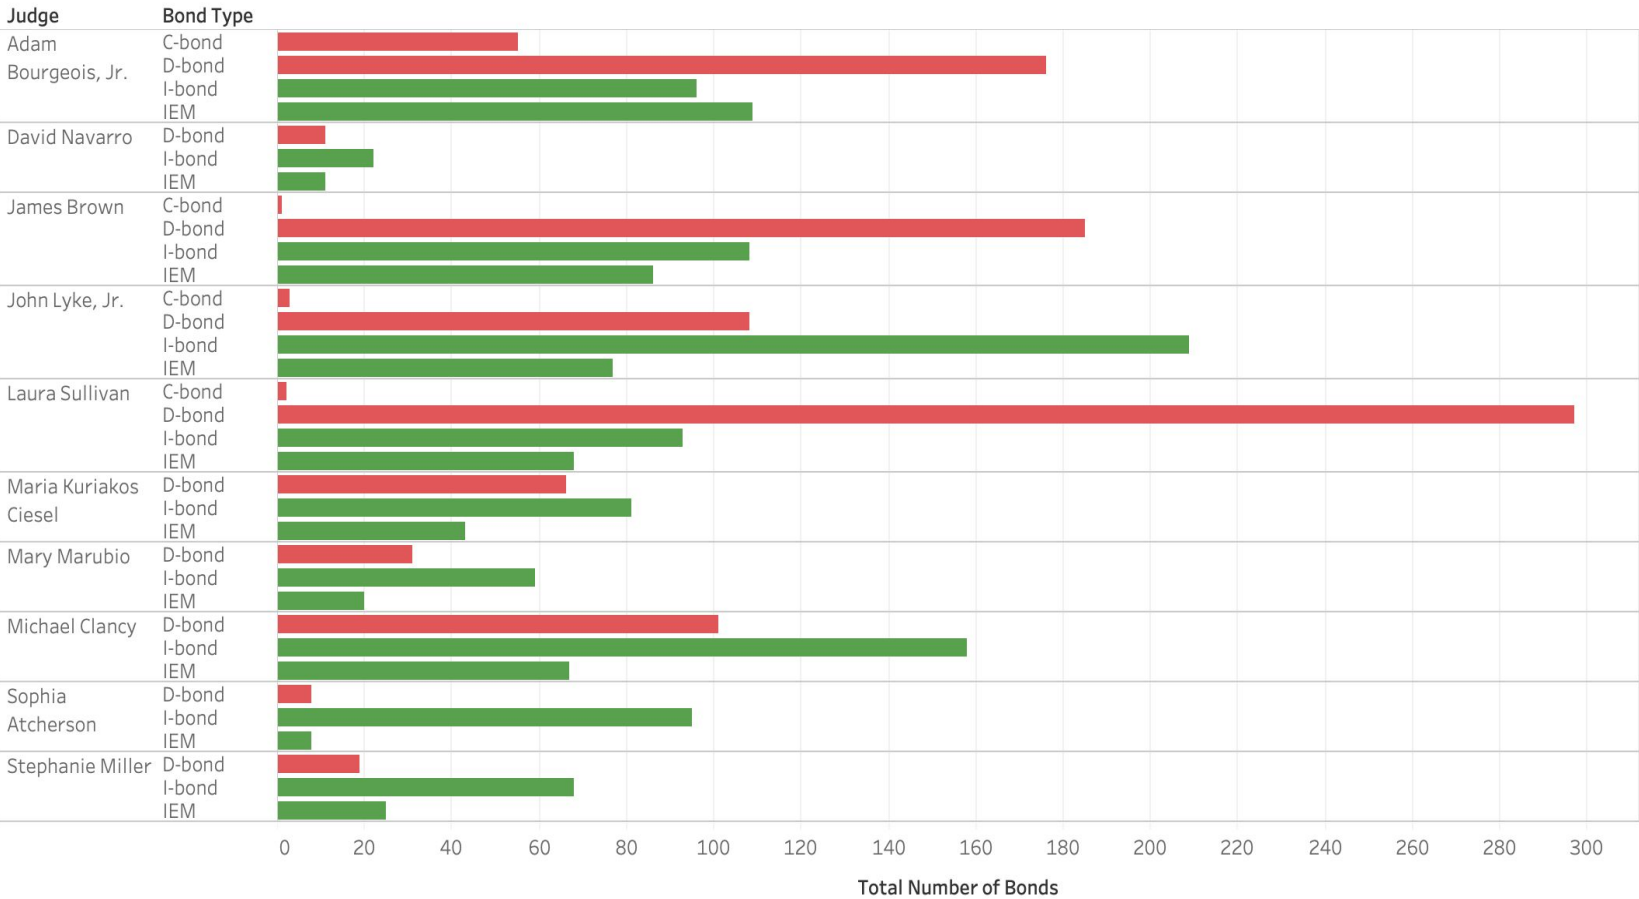

$(\text{True Positive} + \text{True Negative}) * (\$500 = \text{average bond amount})$

Using Logistic Regression

(True Positive + True Negative)*(\$500=average bond amount)

\$139,000

Judge by Bonds

We still have work to do

Call out judges whose rulings are inconsistent with the Bail Reform Act

Use our new logistic model to predict bail fundraising goals

Continue doing work to end cash bail!

We still have work to do
